26

Which type of communities will NAAF funding serve?

Note: Entities can have more than one service community.

What types of entities were funded?

The Native American Agriculture Fund (NAAF) is a private, charitable trust created by the settlement of the landmark *Keepseagle v. Vilsack* class-action lawsuit. NAAF is the largest philanthropic organization devoted solely to serving the Native American farming and ranching community. For more information visit NativeAmericanAgricultureFund.org
